## INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 CFR § 1.56, applicant(s) submits herewith the identification of patents, publications or other information of which they are aware, which they believe may be material to patentability and in respect of which there may be a duty to disclose.

Applicant(s) respectfully requests that the information enclosed herein be considered by the examiner in the above captioned application and be made of record therein.

Applicant(s) believes that the information enclosed herewith is submitted in accordance with 37 CFR § 1.97(c) and submits herewith the required government fee under 37 CFR 1.17(p), fee code 1806.

A list of the patent(s) and/or publication(s) is set forth on the attached Form PTO-1449. A copy of each foreign patent and/or nonpatent literature reference cited is enclosed herewith.

Inclusion of a reference in this Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such, nor that any cited reference discloses anything other than what is shown and stated therein.

The filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists.
